SCULPTURAL STORAGE SOLUTIONS

Est. in Denmark 2004

THE LEDGE COLLECTION

The Ledge shelf series infuses simple and functional forms that has origin in an idea for a bedside table. A way of storing the few things we need by our bed, without claiming much space. Easy to use and utilitarian.

Designed with modern lines the collection can be used both in residential and commercial surroundings.

THE SHOWCASE COLLECTION

The design intention of the Showcase shelf series is to radiate a calm, highly sculptural value. It can be personalised for different moods and environments - classically elegant, yet a strong appearance.

The endless possibilities of combinations and variations of the different Showcase shelves and accessories allows the collection to fit into various environments and purposes.

URBAN LOUNGE WITH TABLE

“In 2004, I established Anne Linde Aps as a way of expressing my creativity and style by combining my experience as a fashion designer with my love for metal and extreme simplicity.

My aim is to create stylish, sculptural, aesthetic pieces of furniture that are timeless and functional.”
